Message from Inspector Symonds

We are now coming into the busy Summer period where demand increases for our policing teams. However we are focussed to provide the best service to you – our Response teams work 24/7 to address emergencies and calls to service. You may see members of our Safer Neighbourhood Team at local community Summer events you attend – they show a visible presence here so you can get to know your local Beat Manager and report any local concerns. Engagement is an essential part of policing – so we can get to know what you expect from the police; and we can explain how we deal with our priorities – so please introduce yourself if you see an officer.

Thanks to Sgt Burke for booking the events, but also congratulations to him on a new promotion to Wyndham Inspector. Your new Safer Neighbourhood Sgt is Sgt Butler who is eager to meet as many of you as possible over the coming months. Not many people attended our last Public Meeting for the District in Diss – therefore we have decided to come to you. The Safer Neighbourhood Team will be visiting each borough in the coming months to engage with local people in each community – please keep a look out for when dates are published as we would be keen to hear your views.

Message from your Engagement Officer

PC Jim Squires has been moved temporarily to another department, as a result I have been asked to take over some of the reins until his return. I will be happy to help with any enquiries you might have in the mean time.

We will be shortly publishing the new priorities for all of the SNT's and this will be done through the website, the next edition of this newsletter and our social media channels. This is as a result of the recent street surgeries which were held by the Beat Managers, we will keep you up to date with the results.

Thanks

PC 1021 Oliver BUTCHER

What is happening in your area

Message from you Beat Manager Pc Baker

Diss Safer Neighbourhood Team have been concentrating their time on the 3 - Speeding, Anti-social use of motor vehicles and Drugs.

We are continuing to deal with those seen to be driving in an anti-social manner, this is through high visibility policing in the areas reported to have issues.

A small number of people came to the street surgery at the Mere's Mouth which was an opportunity for people to come and speak to me and have a one to one conversation.

This month we had the Diss carnival at which the police had a stall with our drone and police vehicles on display. This was an opportunity to meet with the police, gain crime prevention advice and speak about concerns they have.
