

I was pleased last week to unveil the plaque commemorating Ted Ling at Fair Green on the Ping! table tennis table. South Norfolk Council have installed eight of these tables and it's great to see them being used by all. Building on the popularity of Ping! We are now offering a Ping! in the community grant. So if you would like to set up a table tennis group in your community you can apply for a grant towards the purchase of your own Ping! Package which includes an indoor table, bats and balls and all the resources you need. For more information visit www.south-norfolk.gov.uk/community-grants

South Norfolk Council and Broadland District Council continues to work closely together and we now have one senior officer team across the two councils. This makes us more efficient, drive out costs as well as doing more for our residents.

We are currently running our Community Pub Of The Year competition. This year we have four categories: 1 Outstanding Community Focus, 2 Best Customer Service, 3 Most Family Friendly, 4 Tastiest Food and Drink. You can vote by going to our website at www.south-norfolk.gov.uk/pubs or on our Facebook and Instagram pages by September 8th and the four winners will be announced with one of them being the overall winner.
