Message from Inspector Symonds

As you can imagine the start of the Summer has proved to be a busy one with our local Policing Teams. We have prioritised having officers out on foot around the main towns to engage with local residents and business owners. We are looking to increase this area into the Autumn with another rural Beat Manager Tour – to see as many of you as possible.

As we all start to enjoy the weather a bit more, it is a worthy reminder to remember to keep houses locked – and ground floor windows shut at night time. This can extend to sheds – please make sure these are secure and tools are locked away safely. As always you can follow us on Twitter @SouthNorfPolice

Message from your Engagement Officer

Message from PC HUDSON Do you know about Courier Fraud? Do your loved ones? Fraudsters are deliberately targeting older and vulnerable people in our area. Courier fraud happens when a fraudster contacts a victim by telephone claiming to be a police officer, bank or government agency. A number of techniques will then be adopted in order to convince the victim to hand over their bank details or cash, which may then be passed on to a courier. Neither your bank nor the police will ever ask you to withdraw money or purchase items. Your bank or the police will never ask for your PIN, bank card or bank account details over the phone – never give these details to anybody. Neither the police nor the banks will send a courier to collect money or bank cards from you. Please let us know if you have received a similar type of telephone call or have any information about these incidents. Finally, please keep talking to your friends, parents and grandparents and make sure they know about CourierFraud.

The SNT team has spent it's time concentrating on areas of reported ASB, we have be patrolling the area's on foot and as well as cycle which helps us cover a larger area whilst still being available to stop and talk to the public.

With public houses opening on 4th JULY we are linking in with publicans to assist where possible to assist with public protection and prevent potential disorder.
