YOU SAID, WE DID

Nuisance anti-social behaviour

We have liaised with the local schools, social housing providers and youth services to tackle anti-social behaviour in the area. Actions include joint patrols and visits to key locations, with those responsible being reprimanded.

Road safety

Speed enforcement continues to take place across the area with use of speed monitoring equipment, resulting in several traffic offence reports being issued. Also, cycle patrols enable officers to check that safe passing distances have been adhered to.

Burglary/theft

Patrols continue in the Diss town centre and the wider area to deter theft from shop and burglaries. We will continue to monitor this situation as we head into the summer months.
